General Information

Purpose(s) of Event:

Example: International Coffee Hour is a social event to introduce and create awareness about different cultures and diversity on UNLV; while guests can learn about diversity, socialize, and enjoy a cup of coffee.

Type of Event:

Example: International Coffee Hour is a mixer event that is held bi-weekly by the International Council to introduce and create awareness about diversity and cultures.

Benefit(s) of Event:

To Students:

Example: Students will be able to socialize with other students from all around the world and learn about different aspects of culture such as language, norms, and pop-culture from all around the world; while they enjoy a cup of coffee

To UNLV:

Example: By hosting this event, the university shows its commitment to diversity and support of its students of various communities, especially international communities. International Council has been known as the biggest international student organization that is influential and recognized in the community.
